					uneasy		

Can you describe how somebody with a different opinion to yours might feel?

What have you learned from this week's story?

Do you want to do anything about it? What could you do? Make a plan!

Learning from Home

Use the ideas below, alongside this week's resource, to support your home learning.

Locate the UK on a world map. The black rhino can be found in Africa. Locate Africa on a world map. Can you find out what other wild animals live in Africa?

If a black rhino's horn grew 7cm per year. How long would it be after 2 years? 5 years? 24 years? Can you record this in mm, cm and m?

Create your own wild animal! Think about its name, habitat, diet, behaviour, appearance and how it is adapted to its environment.

Animal watch! Find out what animals you can see from your home. Are they somebody's pet or a wild animal? Keep a record.

Read and research the history of the black rhino. What was the cause of the rapid decline in the population of the black rhino and when did this happen? What has been done to tackle this?

Design and make your own 3D junk model of an animal. Use empty cereal boxes, kitchen roll tubes etc.

Create your own wild animal!

Name: _____

Habitat: _____

Diet: _____

Picture

How is your animal adapted to its habitat?

Animal Watch

Sit quietly by your window and look outside.

Draw a picture of any animals you see. It might be a dog, cat, bird, insect.

Challenge questions

Can you name the animals you have seen?

Can you describe what the animal is doing?

Are they pets or do they live in the wild?

Can you find out more information about one of the animals you have seen?
