

## Year 4 Challenges

Here are this week's exciting challenges. Don't forget to feedback all the amazing work you have done!

### Nature Treasure Box

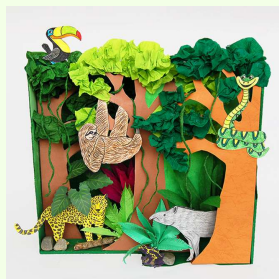

Use an empty box as a treasure box to collect things from the garden.

- Can you collect lots of things of the same colour?
- What about different smells?
- How many different things can you collect?

### Arts & Crafts!

After completing your research about the layers of the rainforest last week, you can now create your very own Amazon Rainforest using any bits of arts and crafts you have at home. Below are some examples:

### Grow your own plant!

It is the perfect season to grow your own plants! Why not plant some seeds of your favourite flowers or even grow your own vegetables! You could also keep a diary to record the growth of your plant.
