## Sports Premium 2020/21

Our sports premium allowance for 2020-2021 is £17,790. We aim to use this funding to have a lasting impact on the health and fitness of our children, by promoting healthy lifestyles, improving the teaching of PE, providing opportunities to participate in a range of competitions, to offer a range of out of school clubs and create links with local sporting clubs.

The PE and Sports Grant is to be spent to make an impact on the following five identified areas;

1. the engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school
2. the profile of PE and sport is raised across the school as a tool for whole-school improvement
3. increased confidence, knowledge and skills of all staff in teaching PE and sport
4. broader experience of a range of sports and activities offered to all pupils
5. increased participation in competitive sport

Our spending plan incorporates these national objectives however some initiatives do cross boundaries between a number of areas but they have broadly been placed in the most applicable. All actions have been identified as having an anticipated impact across the full range of criteria.
