

Welcome to Year 6!

In Year 6, we are taught by Miss Kelly and Mrs Mir.
Miss Khan, Mrs Bibi, Ms Brewerton and Mr Riches also work in our class.

Reading

In class, we are reading lots of different texts all about slavery, segregation (including Rosa Parks and Martin Luther King) and equality. We have started our class book fight back about racism within the UK.

At home, you can help by listening to me read or encouraging me to read every day.

English

In English, we are writing a newspaper report about Henry Box, a slave who posted himself to freedom.

We will be looking at description, paragraphing and dialogue.

At home, you can help by practicing my spellings with me and using spelling shed on the computer.

Maths

In Maths, we are focusing on place value and the four operations.

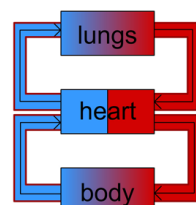

It is essential all Year 6 pupils know their times tables off by heart.

At home, you can help by practicing my times tables with me and using "Times-table Rock Stars" on the computer. I will also be given weekly arithmetic homework and would benefit being supported by an adult at home.

Science

In Science, we are learning about the circulatory system!

At home, you can help by researching all about the circulatory system including blood, the heart and lungs.

Wider Curriculum

In History, we are learning about the right to be equal. We will be looking closely at slavery, segregation and BLM.

In Geography, we will be looking at the countries affected and consequences of slavery and unequal rights.

At home, you can help by reading age-appropriate websites about these topics as well as completing home projects about areas we have covered.

E.g. Slavery, segregation, Rosa Parks, boycott, Martin Luther King, equality, BLM.
