We can't wait to welcome you into Year Three in September. Here is a sneak peak of the exciting things we will be learning about next half term.

Reading

In class we are reading 'Vlad and the Florence Nightingale adventure'. It tells the story of Florence Nightingale and her work in Scutari hospital.

English

In English, we are reading 'The Selfish Giant' by Oscar Wilde. A lovely story that shows the importance of friendship and kindness.

We will be looking at contractions (e.g. was not = wasn't), capital letters, full stops and conjunctions.

At home, you can help by practicing my spellings with me and using spelling shed on the computer.

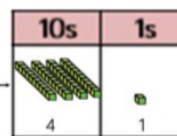

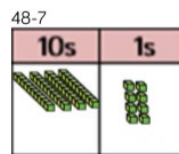

Maths

In Maths, we are focusing on place value, addition and subtraction.

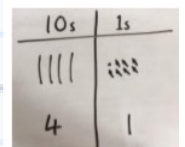

We will be using the following different methods.

10s	1s
III	
II	I
6	1

$$\begin{array}{r} 243 \\ +368 \\ \hline 611 \\ \hline 11 \end{array}$$

$$\begin{array}{r} 48 \\ -7 \\ \hline 41 \end{array}$$

At home, you can help by practicing my times tables with me and using "Times-table Rock Stars" on the computer.

Science

In Science, we are learning about different types of skeleton and the parts of the body.

At home, you can help by reading books about skeletons and practicing naming different bones.

Wider Curriculum

In History, we are learning about the importance Florence Nightingale and Mary Seacole. We will be carrying out research and exploring different sources of information.

In RE, we are looking at the importance of Moses and Abraham in Islam, Judaism and Christianity.

In Art, we are working with Mr Curtis on artwork inspired by Leonardo Da Vinci.

At home, you can help by talking about Florence Nightingale. You could find out about different jobs in the health service. You could also visit Thackray Musuem of Medicine in Leeds.
